

# Starter Series 10" Prompter (SSP10)

£1,249

## Key Features

### 3 solutions in 1

- On-camera unit
- Straight-read – above & below camera
- Floor or tripod standing straight-read monitor

### Everything you need in 1 box

- Pops up for easy mounting
- Icon-based software included
- Designed for all cameras – riser & easy balance system

### Free software and support

- Support teams in 3 locations – NY, Charlotte & London
- 50+ years of experience serving global broadcasters
- Free software upgrades & monitor warranties

## Included in the package

- 10" LCD Monitor with VGA & BNC video inputs
- Pop up, fully adjustable hood
- Ready built mounting system that fits to all tripods and is fully adjustable to deliver balance without the need for counterweights
- Broadcast quality prompter glass (70:30), designed to produce the clearest reflected image and the optimal light to the camera
- 10m VGA cable
- Feature-rich software:
  - Dual screen functionality that reverses the script for reflection in the prompt monitor but keeps it the right way round on the PC
  - Multi-language text and menus with icon-based action buttons
  - Multiple control options
  - Import QStart, .doc, .rtf and .txt files
  - Formatting and search functionality
  - Ability to set markers in the script and assign keys to them
- USB security dongle – allows you to move software to any PC and simply insert dongle to validate
- Quick installation guides and detailed user manuals
- Full warranties – 1 year for monitor; 3 years for hardware
